Attachment 1

Pursuant to 19 C.F.R. § 141.1(d), "[t]he liability for duties also constitutes a lien upon the merchandise imported which may be enforced while such merchandise is in the custody or subject to the control of the United States." The debtor has placed merchandise in one or more warehouses under the control of U.S. Customs and Border Protection (CBP). Although the value of the merchandise is reportedly \$2,485,272.00, CBP has a secured claim only to the extent of the duties and fees due on that merchandise, estimated at \$13,384.04. This amount must be paid upon withdrawal of the merchandise from the warehouse.

The unliquidated/contingent portion of CBP's claim also relates to the warehouse entry described above. The exact amount of any duties and fees due on this entry cannot be determined until after the merchandise is withdrawn from the warehouse and the entry is liquidated, or finalized. Since the merchandise was placed in the warehouse less than one year before the date the debtor filed its petition in this case, CBP's claim is entitled to priority under 11 U.S.C. § 507(a)(8)(F).
